Monsieur,

I am Trustee in a certain Estate, included in which, amongst other Works of Art, are three Gallery pictures by Nicaise de Keyser, whose name as an Artist will be well known to you. The subjects are "The Art of Sculpture," "Columbus," and "Charlemagne." I shall be glad to hear if your Committee would be likely to entertain the purchase of these pictures privately, and any further particulars you require I shall be pleased to give on hearing from you.

Yours faithfully

Fred. Whalley

Trustee.
