Dear Sir

Please excuse the liberty I am now taking in writing to you. Well Sir I have a friend in the British Museum & I have a fine private one of my own. I want to know Sir if you could be so kind as to get me some Postage Stamps of your present issues in memory of your late & gallant King. They are special issue & I should also like some of Proffo Richards Stratoscopevent they have a balloon on or any other you may be able to get. Now I want to send these to a nephew in Australia who sends me things for my collection. I am enclosing you 2 snaps of Central Wild Australia & if you would like some of the wild natives I have some nice ones I could send you for your museum. I will try and get a snakes skin from him for your museum. So if you can get me a nice few used or unused stamps I will send you something in return & be very gratefully thankful to you Sir indeed thanking you Sir in anticipation.

I remain
Yours Faithfully
B. Harwell.
