/Belgium/

Dear sir,

As I in my collection of pictures have a picture, made of Frans
Franken, named "Baiser de Judas", I wherewith ask you, if you have an
interest to obtain buy purchase this picture, which in 1923 is acquired
from Wien.

Meanwhile I can tell you, that the dimensions of the picture
are 75 centimeter x 57 centimeter, that the painting is made upon copperplate and that the motif of this picture is a scene in Getsemane,
just when Christ is kissed by Judas. Beyond Christ the picture have the
figures of the Apostles and some Roman mercenary soldiers, in all 20 figures.

Yours truly
