The Curator,

Palais des Beaux-Arts

Rue de la Regence,

Brussels.

Dear Sir,

During the first week of December I shall be in Brussels for a short time only & am wishful to see while in that city, any Exhibitions of modern handicrafts or Fine Arts that there may be. I should be most glad if you could help me in the matter by telling me if there will be any open between December 1st. & 8th.

Trusting that this will not be inconvenient to you,

I am, yours truly,

S. Pumphrey.

P.S. Please reply to 5 Maple Road, Bournville, Nr. Birmingham.
