Dear Sir,

I have, in my collection a very beautiful
miniature painting of Madame
E. M. Delatour - née Simons.
The painting is signed M. E. Delatour
and is dated 1821 or 1826 - I am
not sure which date is correct.

The painting measures about
12" x 10" and I am told that
it is undoubtedly a fine piece
of painting and worthy of any
collection.

It appears to have been painted
in Brussels as a very old label
on the back appears to read

"Tableau de Madame Delatour née
Simons, Rue de Portet (?) No 519
à Bruxelles"

Will You kindly inform me whether
You have a portrait of this lady in
your collection and any information
which You can give me as to the
artist or the lady herself will be
highly esteemed.

If You reply to this letter will You
kindly do so in English, as I
have no knowledge of foreign languages.

Yours faithfully

Cecil Graham.

Brussels, the 13 th Juny 1932.

Dear Sir,

We don't possess in our collections any works by Madame Elisabeth-Marie de Latour. This artist was born at Brussels in 1750 and died in 1834. She painted scenes from popular life and portraits (miniature painting).

Yours sincerely,

Cecil Graham Esq.
